A serene winter landscape with bare trees and a body of water under a soft sky. The sun is low on the left, creating a warm glow and lens flare. The trees are silhouetted against the sky, and the water is calm and reflects the light.

This book dedicated to the memory of:

Adam Mendes
Chantal Millet
Albert Cipryk

When you are joyous, look
deep into your heart and you
shall find it is only that which
has given you sorrow that is
giving you joy.

When you are sorrowful look
again in your heart, and you
shall see that in truth you are
weeping for that which has
been your delight.

ROTHSAY is committed to providing premium environmental services to conserve resources and reduce waste. As such, we perform a very important environmental role in the community, the importance of which cannot be overstated. By collecting recyclable material from butcher shops, restaurants, supermarkets, packing houses, etc., we recycle 15,000,000 pounds per week of meat scraps and cooking oils in Ontario alone – to put that in perspective, it amounts to 17,500 tractor trailer loads per year.

Today's HOSPITALITY INDUSTRY recognizes the importance of this essential environmental service, thank-you.
